

COCHRAN, KROLL & ASSOCIATES, P.C.

MICHIGAN PERSONAL INJURY LAWYERS

www.CochranLaw.com

The Law Offices of *Cochran, Kroll & Associates, P.C.* is dedicated to representing individuals and families who have suffered catastrophic losses as a result of injuries, disabilities and death.

The firm does not represent insurance companies or corporations but instead bases its practice upon representing individuals and families. The firm does not charge clients a fee unless a recovery is made.

- Medical Malpractice Victim's Rights
- Birth Injury
- Brain or Spinal Cord Injury
- Death Claims/Wrongful Death
- Physician/Nursing Malpractice
- Hospital/HMO Negligence
- Plastic Surgery Malpractice
- Emergency Center Malpractice
- Accidents & Injuries Overview
- Social Security Disability
- Police Misconduct
- Nursing Home Abuse
- Long-Term Disability

As the top Michigan accident attorneys in the state, *Cochran, Kroll & Associates'* primary consideration is financial compensation. We also realize, however, that the injured victim and their family must have guarantees of future security, including health insurance, payment for wage loss, educational trust funds, among others.

TERRY COCHRAN & EILEEN E. KROLL

✚ Terry Cochran has limited his practice to representing individuals who have sustained serious personal injuries including traumatic brain injuries, spinal cord injuries, burns, loss of earning ability, psychiatric & psychological trauma, exposure to toxins and other life altering events.

✚ Eileen E. Kroll worked as a nurse prior to her becoming an attorney. Specializing in medical malpractice, she brings a wealth of experience through her trial litigation background combined with her extensive medical legal expertise.
