

Get a fresh perspective on management and business.

When you need a reliable, independent and objective interview source on topics and trends in business and management, tap into one of the nation's largest corps of knowledge and thought leadership -- members of the Institute of Management Consultants USA (IMC USA).

Look for IMC USA Certified Management Consultants (CMC®) and Professional Members, who are authorities in:

Ethics, leadership, change management, human resources, engineering, technology, risk management, operations, reengineering, supply chain, manufacturing, retail, biotech, government, military, finance, outsourcing, teambuilding, international business and trade, information security, small business, family business, intellectual property, marketing, profit marketing, governance, strategy, and more.

Search thousands of experts by key word, area of expertise or industry at www.imcusa.org.

The CMC (Certified Management Consultant) is an internationally recognized certification mark awarded by the Institute of Management Consultants USA as evidence of meeting the highest standards of consulting and adherence to the ethical canons of the profession. Less than 1% of all consultants have achieved this certification. IMC USA is the premier professional association and sole certifying body for management consultants in the U.S. and a member of the 43-nation International Council of Management Consulting Institutes.
