

DAVE E. DAVID, M.D.

Do You Need a Physician As a Product Endorser, TV Spokesperson, Host or Speaker? Look no further than Dave E. David, M.D.:

- *Obstetrician, gynecologist and weight loss/fitness specialist*
- *Can represent all types of health, fitness or medical products*

If you have a medical product, pharmaceutical product or health/fitness product that could use an endorsement by a prominent, well-known medical doctor, consider Dave E. David, M.D.

Dr. David has a warm nature and is very charismatic on camera and in person. As an experienced host and dynamic lecturer, his personality and naturally inquisitive nature make him an exciting interviewer.

Dr. David is a physician with more than 20 years of experience, treating patients and serving as assistant clinical professor at a major medical school. Harvard-trained and formerly on the teaching faculty at Harvard University, Dr. David is available to appear on television infomercials and commercials and as a spokesperson in several different venues for products he believes in.

Twenty years of media experience includes medical analyst/commentator for CNN, FOX News Channel and New England Cable News, host of his own weekly television show ("There's a Doctor in the House") and radio talk show, creator and host of "Making Womb for Baby" (full-length videotape on pregnancy and childbirth) and "Secrets to a Slimmer You" (audiotape program).

Dr. David is a SAG/AFTRA member, well-versed with teleprompter, earprompter and well-trained in commercial and dramatic acting. His appearances include infomercials with prominent celebrities and as a guest on dozens of television talk shows and extensive national exposure and recognition.

Featured on the cover of *Woman's World Magazine* and with publications in countless lay magazines and prestigious medical journals, Dr. David has treated members of the U.S. Olympic team and has acted as a medical consultant to personal fitness trainers in southern California.

As a board-certified obstetrician and gynecologist and as a weight loss specialist, Dr. David has expertise in women's health, weight loss, fitness, nutrition and herbal remedies.
