

# We Make Communications Our Business

Since handling and resolving one of the nation's first communications law cases in 1923, Dow Lohnes has witnessed and participated in the evolution of the telecommunications and media industries. Our attorneys are exceptional, informed resources offering legal advice on the far-reaching impact of broadcast and media technology on today's business environment, including:

- Communications and Media Law
- Cable Television
- Commercial Television/Radio Broadcasting
- Computer/Information Technology
- Internet
- Libel/First Amendment
- New/Online Media
- New Technology
- Newspaper/Magazine Publishing
- Public Broadcasting/Educational Telecommunications
- Satellite
- Telecommunications

With more than 140 lawyers in Washington, D.C., and Atlanta, Dow Lohnes also provides superior corporate, transactional, regulatory and litigation services to businesses in other highly regulated industries.

For more information on all of Dow Lohnes' practice expertise, please contact our Business Development Department at 202.776.2490 or [info@dowlohnesc.com](mailto:info@dowlohnesc.com).
