

WARNING:

If you are looking for ANY of the following,
DO NOT contact Non Juan:

- *Groundbreaking Advice About Women
- *Great Looks / Sex Appeal
- *An Actual Human Guest?
(Unless "puppets" are the new humans)

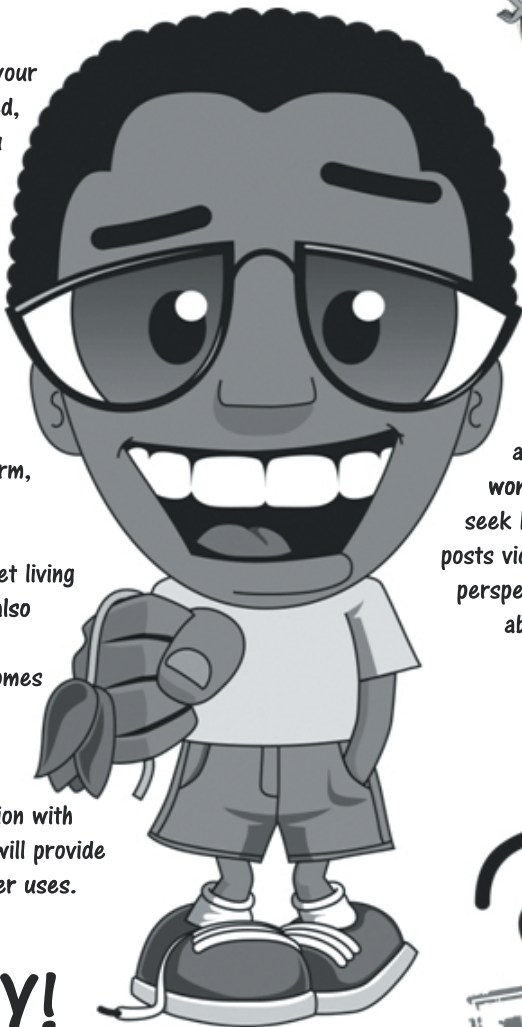

BUT, if you want to keep your audience engaged, entertained, and hysterically laughing; You can't miss by booking

Non Juan.

Everyone is familiar with the "world-famous" ladies man, Don Juan. Well, an easy description of Non Juan - He's just like Don Juan. . . Minus the ladies, money, charm, and everything else.

Never mind him being a puppet living among humans; Non Juan is also super cheap, obnoxious, and seemingly clueless when it comes to the opposite sex.

His hilarious dating insights and stories of every interaction with women going horribly wrong will provide countless sound bites for later uses.

Your audience won't be able to get enough and will LOVE YOU for booking him on your show!

You can find out more about Non Juan on his website, NonJuan.com, where he answers questions posed by men and women that (for some unknown reason) seek his "advice" on relationships. He also posts videos and scribbles (blogs) in a unique perspective that only Non Juan can provide about the "comedy" that is his life!
