FiscalDoctor™

Enhancing Growth & Profitability

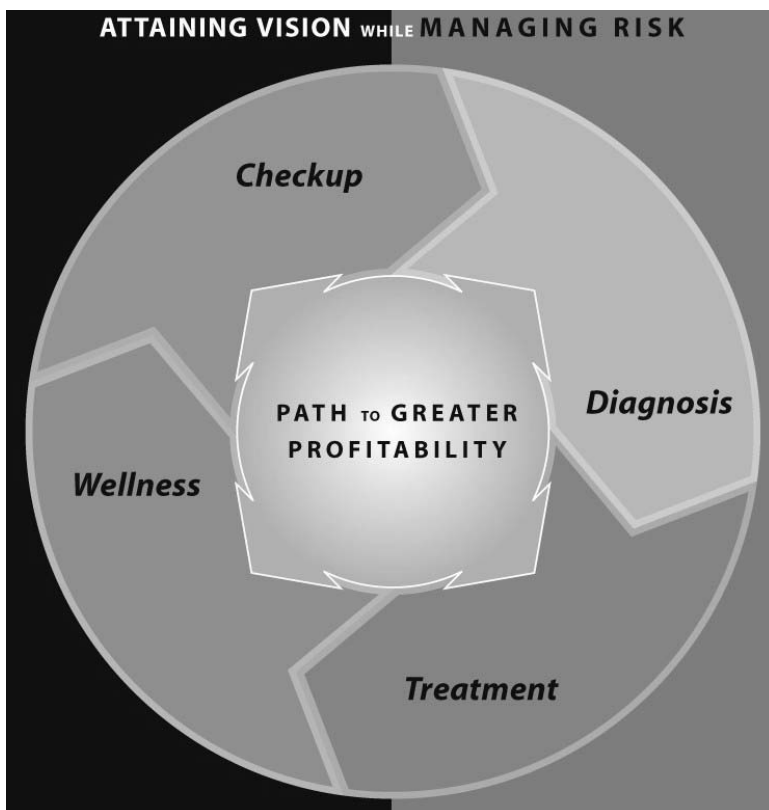

Gary Patterson has more than 30 years of senior management experience with high-growth technology, manufacturing and service companies. He has worked with more than 200 companies — from start-ups to Inc 500 to Fortune 500 — providing high-level strategic guidance and expertise, helping them successfully navigate that often murky pathway to exceptional growth and profitability.

As a trusted advisor, Patterson's FiscalDoctor™ helps CEOs, board members, executive teams, private equity investors and owners achieve fiscal health. From a quick financial assessment to a comprehensive financial management review, Fiscal Doctor™ will heal what ails you.

Patterson's extraordinary track record includes building two start-ups (each achieving \$10 million revenue their first year), diagnosing company oversights to save \$150K to \$3 million annually; guiding a young company through a liquidity search, resulting in \$25 million in financing, and; helping a company broaden its client base 525 percent, increasing revenue from \$16 million to \$100 million.

His international experience includes serving as European coordinator for the global enterprise-wide application software pilot program for a Fortune 500 company.

Patterson holds an MBA in Finance and Operations from Stanford University, a BA in Accounting from the University of Mississippi and a CPA.
