

Schedule an Interview About School Choice Today!

# Crisis in Our Schools

America's education system is in critical condition. Far too often, low-income children are confined to failing schools simply because they are poor.

Parents deserve immediate solutions. School vouchers and scholarship tax credit programs increase student achievement, boost parental satisfaction, and revitalize communities.

School choice is a hot topic worth talking about!

## Schedule an Interview Today

Schedule your interview with a leading expert on school choice today. Our spokespeople will specialize their messages to reach your geographic area or provide a national perspective.

We're available 24/7. We look forward to helping you with your story, because America's future depends on the action of your audience.

Call Andrew Campanella at 202-280-1985 or 202-276-1303 (cell) or e-mail [acampanella@allianceforschoolchoice.org](mailto:acampanella@allianceforschoolchoice.org).
