Baum, Hedlund, Aristei & Goldman, P.C.
Handling mass disasters since 1985.

Attorney Paul Hedlund on the steps of the U.S. Supreme Court, immediately after arguing a wrongful death case.

For many years the media has turned to Baum Hedlund attorneys who have appeared more than 1,600 times on TV, radio and documentaries; and in newspapers, books and magazines. Baum Hedlund is a national preeminent plaintiffs law firm representing victims of catastrophic injury and wrongful death. They have represented thousands of victims in airline, general aviation, bus, train, trucking and structural accidents as well as defective pharmaceutical products.
