15 Years = 1,000 Cars Provided!

June 3, 2019 Tampa, FL – What an amazing 15 years it's been! Susan Jacobs, Founder and CEO of Wheels of Success, and her team, have had immense success in presenting 1,000+ cars/vehicles to deserving clients over the past 15 years. Good, dependable transportation effects your professional and personal life and that's why Wheels of Success gives! Joanne Weiland, Founder of LinktoEXPERT understands that and that's why she has served on the Wheels of Success board of directors and board of advisors and is a big believer in the program! Joanne and Susan, who is a LinktoEXPERT member, met and shared an office at the Centre Club's Bistro in Tampa when they started their individual endeavors years ago.

The 1,000th car was given away on April 15, 2019, Tax Day. It was the perfect day because if you donated your vehicle to WOS last year, you could be deducting the fair market value, not auction price!

"When I had this vision 15 years ago to help working families continue working through ownership of a reliable vehicle, I hoped we could affect many lives in many ways, and here we are at our 1,000th car helping to keep so many families working and maintaining their family's self-sufficiency. We look forward to the next 1,000 happening even faster!", Susan Jacobs, Founder and CEO reflected.

A celebration was held on Friday, May 31 where Wheels of Success hosted "Road Trip", a fundraiser luncheon celebrating its 15 years in operation. Deiah Riley, Anchor of Good Morning Tampa Bay at ABC Action News, served as the Mistress of Ceremony.

About Wheels of Success - Celebrating its 15th year, Wheels of Success continues to present repaired cars to working families. Wheels of Success presents agency and employer-referred working families with a reliable and repaired car, which enables them to have consistent transportation to work, keep their jobs and advance in their careers, buy enough groceries at one time to feed their families instead of buying only what can be carried by hand, participate in their children's activities, and get to and from medical appointments. Wheels of Success provides a way for working families to remain independent and self-sufficient.
