Are You Keeping Gold on Your Laptop?

Tampa, FL – Brilliant ideas...what to do with them when they come to mind! Do you keep them as notes on your laptop for another day? Do you wonder how you turn them into money?

There is a team of professionals, a Collaborative Cloud Community who can convert your notes into valuable content and deliver it to prospective clients and the media in order to monetize it and transform it into passive income...LinktoEXPERT!

LinktoEXPERT has tens of thousands of media connections and thought leaders within reach as well as a huge presence on social media. If you are in need of promotional materials or a PR campaign, LinktoEXPERT can support your initiatives with ease! Their one of a kind database exchange program, reaches hundreds of thousands of executives, entrepreneurs, event professionals and the media, consistently and frequently.

It's easy to turn those ideas into more than notes! Become active on the LinktoEXPERT web portal and be easily found by the media seeking experts in your given subject. Podcasters, TV & radio show hosts, and publications use LinktoEXPERT to find guest experts to interview.

Is your information worth anything sitting on your laptop? No. What is it worth if you convert it into passive income? Gold!

About LinktoEXPERT - Since 2007 LinktoEXPERT makes it easy for EXPERTpreneurs to be seen consistently online, on stage, on social media and be heard frequently on radio and pod cast interviews which results in being known as the trusted expert worldwide. Executives and business owners get to know the problems EXPERTpreneurs can solve for them and understand the outcome of working together before they hire each other. The collaborative cloud community streamlines the hiring process: simply review expert's education, experience and achievements in minutes. Results: everyone can focus on what they do best while simultaneously delegating projects to other service providers. Together we save time and energy, make more money (often additional streams of income) and elevate our reputations which results in securing new projects.
