Are You a Mentor Mentoring Mentors?

Tampa, FL (February 8, 2023) – There’s truth to that old saying, “It’s not what you know, it’s who you know! But it might be better to say, “It’s what you know *and* who you know!”

Mentors constantly share what they know with their mentees, and then introduce them to people who can assist in their personal and or professional growth...aka mentors. Do your mentors share their knowledge with you and connect you with their colleagues and their mentors?

This concept is called: Mentors Mentoring Mentors!

Surround yourself with people you look up to who, have the education, experience, and expertise to assist in transforming your ideas into realities - making your dreams come true. Could they guide you to the path to the top of a mountain because they know from that vantage point have more clarity?

Hire an expert to accomplish, implement or complete your ideas, projects, and tasks so you can focus on what you do best and let others do the rest.
