A Good Mix - Authorities and Experts

December 31, 2019

Tampa, FL – Proud is one way to describe how LinktoEXPERT feels continually presenting leading edge offerings!

Founder of Authority Footprint and Collaborative Cloud Community
LinktoEXPERT member, Tami Patzer, recently launched Daily Success Evergreen
Giveaway. Daily Success Evergreen Giveaway is designed to share knowledge between experts and open audiences to each other as our communities download each other's interviews and/or gifts.

When asked how it works, Patzer was happy to explain, "It is a SMART MOVE to get into the FIRST WAVE because that means as the promotions continue over time, you get your free gift in front of new audiences as it grows and grows. Your list will GROW. That is the purpose. You can get NEW eyeballs on your stuff. You will get more and more subscribers as everyone works to share and promote Daily Success!

The beauty of it is, you and I get great content that we bought and can use over and over again. I give you all the rights to use your interview with me for any lawful purpose and I retain the rights to use it for any lawful purpose. How cool is that? "

The process really is that simple!

While many people have stringent requirements and MUST DOS, all Daily Success is asking for you to do is to participate! What does that mean? It's Simple. You share on social media, through email, on your shows and podcasts, or via SMS texts...anyway you choose. Daily Success is designed to be FUN, not a chore!

"Most people think knowledge is power, but actually it is *applied knowledge is power!*" Founder of LinktoEXPERT, Joanne Weiland, stated. She believes it is not *what* you know, but what you do with what you know. Weiland invites you to visit her website: www.LinktoEXPERT.com to watch, listen and read relevant information from business experts that will aid in growing your business with ease.
