Creating High Vibe & Profitable Partnerships

Tampa, FL (January 27, 2022) – This week, LinktoEXPERT has been a part of the live *High Vibe Collaboration VIP Experience* via Zoom and private Facebook group. The intention has been show conscious women entrepreneurs how to gain greater visibility and sell more of their products and services through the power of collaboration. The goal is to give entrepreneurs a clear plan on how to create partnerships that will generate revenue and build their databases.

There has been no charge to attend this virtual event that is filled with content worth thousands of dollars! Attendees have won free one-on-one sessions with Link Lab LLC and LinktoEXPERT offered a special, free advertising opportunity in their upcoming digital magazine.

The group joined each day for one hour to learn how to build our list and skyrocket revenues through strategic aligned partnerships that feed your soul and your business! This is a new approach to joint venture and affiliate marketing that is less transactional, and more heart centered.

Brooke and Tammy share, “Like many spiritual leaders and conscious businesswomen, we have outgrown the old-school marketing tactics and are stepping into a new way of doing business.
