### **Growth hacking With Jess Tiffany**

Tampa, FL – If you have a product or service to sell, do you have a plan to reach your prospective clients?

Expert, Jess Tiffany explains how important it is to move beyond just building a great inner circle, but also building large diverse networks too. In his book, he notes that building strong relationships is what matters most! We can have both quality and quantity of connections!

To simplify this process further, LinktoEXPERT features your product and/or service by consistently presenting to tens of thousands of decision makers in unique ways. Prospects are able to review your education, experience and expertise in the cloud and decide to hire you or buy your products on the spot.

“Experts are multifaceted and know the answers to questions you did not even know to ask. That’s why we are so proud of Member, Business Owner, Networker, Author, Keynote Speaker, Growth Hacker, Jess Tiffany!”, says Joanne Weiland, LinktoEXPERT Founder. Jess answers questions about both LinkedIn and Growth Marketing that you did not even think to ask. “When Jess told me LinktoEXPERT was a Growth Hacker I didn’t even know what Growth Hacking was. If you are like me you will be glad to know Jess. He will be able to share his findings with you too”. Jess recently became an International Best Selling Author of *GROWTH HACK[in]G Secrets-Strategically Grow Your Business Connections from 0 to 10K in 365 Days*.

Why spend the next couple of years uncovering the secrets of growing a quality LinkedIn network when you can read Jess Tiffany’s summary in his insightful, well written, easy to understand book: *GROWTH HACK[in]G Secrets!*

Jess Tiffany recommends that we continue to build trust and relationships so when that person is finally ready to buy, whether it’s tomorrow or next year, you or your company is top of mind. He calls it his passive marketing funnel.

**About Marketing and Networking University** - we have an intense desire to help business owners grow their companies to their fullest potential through intense differentiation, lead generation, revenue creation, and strategic integrations. Our tools include education, business strategizing, marketing tools and done for you services.
