Secrets of the Social Media Giant

Tampa, FL – The Information the Social Media Giant Wants to Keep a Secret

It has become very important to build a large, diverse network – almost as important as it is to build a great inner circle. Jess Tiffany explains that in the end, building strong relationships is what matters most. In his #1 International Best Seller book, he also points out that we do not have to choose between quality of connections and quantity of connections. We can have them both!

At LinktoEXPERT, it's simple to have both. You regularly add new contacts to your personal, LinktoEXPERT database. Each time you add new content; an email blast will automatically be generated and sent to all your contacts. We amplify and magnify your messages and present you to tens of thousands of executives and entrepreneurs utilizing our intelligent target system. Your message is presented in imaginative and creative way, making you known as the ideal expert in your field.

“Experts know the answers to questions you did not even know to ask. That’s why we are so proud of LinktoEXPERT Member, LinkedIn Growth Expert, International Best Selling Author, Jess Tiffany!”, says Joanne Weiland, LinktoEXPERT Founder. Jess answers questions about both LinkedIn and Growth Marketing that you did not even think to ask! “When Jess told me LinktoEXPERT was a Growth Hacker I didn’t even know what Growth Hacking was. If you are like me, Jess will explain in an easy to understand way, how to target, connect and build a rapport with your ideal clients”. In two days, Jess Tiffany’s new audio book, GROWTH HACK[in]G Secrets Strategically Grow Your Business Connections from 0 to 10K in 365 Days became Amazon’s #1 New Release in Global Marketing! Narrator Dan Rollins MNU Digital (Publisher)

You choose if you want to spend the next couple of years uncovering the secrets of growing a quality LinkedIn network by yourself or you can read or listen to Jess Tiffany’s summary in his insightful, well written, easy to understand book or listen to his new audio book GROWTH HACK[in]G Secrets. Jess Tiffany recommends that we: Build trust and a relationship as a company, so in 2 months or even 6 years, when that person is finally ready to buy, you or your company is top of mind. He calls it his passive marketing funnel.

About MNU Digital - we have an intense desire to help business owners grow their companies to their fullest potential through intense differentiation, lead generation, revenue creation, and strategic integrations. Our tools include education, business strategizing, marketing tools and done for you services.

About LinktoEXPERT - Elevate your brand to celebrity and super star status in your markets, on your budget, for less time and less investment. Integration is the future. We amplify and magnify your brand to celebrity and super star status which makes you a media magnet and your expertise known worldwide.
