Leaders Work Side by Side with Experts

Tampa, FL – LinktoEXPERT is excited to announce their affiliate partnership with Soar Community Network LLC! Most leaders have great ideas and visions and will benefit from specific skillsets to implement their ideas and bring their innovations to the market quickly. The partnership was designed to make it easier for leaders to work side by side with experts for this reason.

SOAR Community Network LLC stands for **See, Own, Articulate, Release** and they assist growing organizations with their missions. Their 4th annual Summit is one of the ways they will accomplish that. This year's summit is being held October 3, 2019 at Industrious, 2461 Eisenhower Ave, Floor 2, in Alexandria, VA 22314. They have 16 expert panelists and two internationally known keynote speakers on the agenda. Doug Fabboli and Dr. Kakenya Ntaiya from the business, nonprofit and civic sectors will come together to discuss *The Future of Leadership: Creating Greater Social Impact*. Mali Phonpadith, CEO of the SOAR Community Network will kick off this amazing event.

Highlights:

- Mindfulness in the Workplace
- Community Building through Advocacy & Grassroots Initiatives
- Advancing Missions through Storytelling
- Building Sustainable Organizations - A Global Vantage Point

“Through their businesses, brands, nonprofits and grassroots initiatives, they are community change agents creating a better world”, Mali explained.

LinktoEXPERT Founder, Joanne Weiland chimed, “We are proud to be a sponsor of this event along with Industrious, BB&T, MZ Capital, The Umbrella Syndicate, Florin Group, Connectpreneur, and Rowan Tree! We know it takes most leaders many years to be able to articulate the benefits of what they can do for their ideal client. Participating in the SOAR 2019 Summit will help gain momentum and clarity.”
