### **Much Anticipated SAG-AFTRA Feature Film, *Koko*, by Filmmaker, Anjani Pandey, Announces its Release Soon**

*This is ready to go viral! With fascinating subject matter and what some will call impressive work, this movie is about a guy who wants to marry his dog.*

Clearwater, FL (September 9, 2020) - Filmmaker, and LinktoEXPERT Vendor, Anjani Pandey is proud to announce the upcoming release of this interesting story about Randy, the young financial expert and his canine named Koko. Never before has a movie told a love story about a man and dog and matrimony. *Koko* captures the mixed emotions from those around them. While some stand beside Randy and his decision; not everyone is celebrating.

The screenplay of this feature film has been in festivals and awards circles, earning accolades and recognition in about half-a-dozen of them including Best Screenplay at United States Film Festival, 2019. The final feature film has been recently officially selected into 15th CENFLO/Central Florida Film Festival, 2021.

It is directed and produced by Anjani Pandey. The screenplay is written by J. Scott Vajner. While there are too many to name, some of the talented cast and crew members include Anthony Esposito, Dulaney Sundin, Rachel Willis, Travis Chase, Celia Isla, Sean Collins, Andrew Kranz, John Parsonson, Nautic Von Horn.

While same-sex marriages have become widely accepted and validated, *Koko* takes the human-canine bond a step further. A man loving his dog is one thing, but trying to marry her, brings varied emotions and responses. [Watch a quick preview here.](#)
