"Together LinktoEXPERT and ExpertClick amplify your messages to tens of thousands so you can focus on what you do best" claims Weiland, Founder of LinktoEXPERT.

ExpertClick.com is a business referral web site where experts, speaker, and expert witnesses are found by journalists for media interviews, meeting planners for speaking engagements, and lawyers to engage for trial testimony. Now working on 34th annual printed Yearbook of Experts.

LinktoEXPERT - a revolutionary multi dimensional platform was launched in 2007. LinktoEXPERT makes it easy for you to be seen consistently online, on stage, on social media and your radio and pod cast interviews to be heard frequently which results in you being known as the expert worldwide. You elevate your status by allowing decision makers to regularly assess your talents; review your education, experience, and accomplishments which then makes it easy for decision makers to hire you fast.
