Beyond Phones: Redefining Business Communication in the Digital Age

Tampa, FL – May 6, 2025 – The latest episode of the *LinktoEXPERT Business Showcase* features an inspiring conversation with Derrick Dike, telecom veteran and founder of Exsidio, Inc. Hosted by Joanne Weiland and Cece Shatz, the episode explores how cutting-edge communication technologies are transforming how businesses connect, collaborate, and thrive.

With more than two decades of industry experience, Derrick shares his insights on the shift from traditional telecom systems to integrated platforms that merge voice, video, messaging, and collaborative tools.

“The future of communication is not just about tools,” says Derrick, “but about creating seamless experiences that drive productivity and connection.”

Episode Highlights Include:

- **Emerging Tech:** A look at the latest advancements in business communication tools.
- **Disruptive Innovation:** How Exsidio, Inc. is revolutionizing communication for businesses of all sizes.
- **Tech Integration:** The benefits of aligning new technologies with existing systems.

- **Collaboration Tactics:** Strategies to boost team efficiency and engagement.

Derrick's transition from seasoned executive to entrepreneurial leader showcases his dedication to equipping businesses with smarter, scalable communication solutions.

Quote from Derrick Dike

"The integration of advanced communication solutions is vital for businesses to thrive in today's fast-paced environment. My goal is to help organizations leverage these technologies to achieve greater success."

About Derrick Dike

Derrick Dike is a telecom industry expert with a strong background in engineering, product development, and sales. As founder of Exsidio, Inc., he delivers innovative, unified communication platforms tailored for modern organizations.
