

## BRADFORD RAND

President / CEO at Cyber Security Summit, TECHEXPO, and RAND Luxury  
[Linkedin.com/in/BradfordRand](https://www.linkedin.com/in/BradfordRand)

Bradford Rand is a serial entrepreneur, whose company has produced 1,500+ events since 1993; professional job fairs for the defense and intelligence industries, executive conferences & cyber security summits, luxury & charity events, press showcases, eco-friendly expos, TV productions & fashion shows!

The Cyber Security Summit has been ranked as one of the "Top 50 Must-Attend Conferences" by DigitalGuardian. These exclusive conference series began in New York City in 2013 and connect C-Level & Senior Executives responsible for protecting their company's critical infrastructures with cutting-edge technology providers & renowned information security experts.

For over 25 years, TECHEXPO Top Secret has been the Nation's premier producer of professional job fairs, primarily for those with an active Security-Clearance and or Cyber Security industry experience. TechExpoUSA.com is one of country's leading online career centers where leading defense contractors, technology companies, consulting firms and numerous agencies of the US Government can recruit and hire these experienced professionals along with Transitioning Military and Veterans. TECHEXPO also continues to be the leader in producing private Open House recruitment events for such companies as IBM, Booz Allen Hamilton, Verizon, Boeing, ManTech, KeyW, AT&T, L-3, General Dynamics, SEI / Carnegie Mellon, Unisys, HP & more...
