

Let's build a survey from list they do at Formsite – but show as plain text -- just show one box or radio button on the left

**Please *run this evaluation slowly* so
all items populate --- as last time it was truncated at the
bottom**

Better spacing to ensure text does not run over

***** Start Fresh – ignore previous results ***

<h1>FREE --Do you Qualify<h></h3>

<Instructions for chatGTP -

At a Glance: Old vs. New Membership Policy

Old Policy: Paid-Only | New Policy: Tiers + Point Qualification

Old Policy:

- Only paying members could join.
- Membership based mainly on ability to pay.
- Limited range of backgrounds and expertise.

New Policy:

- Freemium, Paid, and Creator tiers now available.
- All members must pass a strict quality rubric.
- Broader range of voices for journalists to interview.

Each Participant should be able to provide – [Ch

<h3><<<Need more space here>>>

Then show a check box survey for these ten

<keep>.Every applicant, regardless of tier, is evaluated using ExpertClick's weighted scoring system that is used in presentation :of search results at the site.< end keep>

< show as check= boxes on the left>

Stare with these exact words a header “Each Participant should be able to provide – [Check all the ones you can provide]”

- Professional Photo or logo(×1)
- Short Bio (×2)
- Areas of Expertise (×2)
- Media Coverage / Books (×1.5)

- Website & Social Links (×1.5)
- Mission Alignment (×1)
- Ethics & Authenticity (×2)
- Media Readiness (×2)

Then next section is shown a radio button on left

<big>ExpertClick invites experts in these categories of either Institutions or Individuals.

Choose one only please<end

<Show list with radio buttons on the left Have one section for Institutions and one for individuals >

For Institutions -< show one line for each of these>-

Corporation, List IBM or Private business listed by entity name

Trade Association, like The National Speakers Association,

Educational Institution like Georgetown University.

A government entity like the IRS or the CIA, -- yes -- they've participated too.

Public Interest Group like, Public Citizen,

Think Tank, like the Brookings Institute,

Charity, like the United Way.

<last bullet point> I'll be listing as an individual

For individuals, please check the one that you best fit:<radio button on right -- <put round circles for clarity of the check one part of this> <show one line for each of these? <<<<all must be included>>>>
