

The Counselors' Counselor

As an expert in the area of leadership and strategic business development, Best Selling Author and Business Coach Stephen Fairley is one of the most riveting professional speakers in the business.

His energetic, no-holds-barred delivery offers a unique blend of street-smart marketing instincts and a deep understanding of performance psychology, with a strong confidence in every person's potential and no-nonsense goal-setting methods.

■ *5,500 attorneys who have gone through our coaching and training seminars. We have worked with 14 of the largest state and local bar associations to offer live sessions, such as the Becoming-a-Rainmaker seminar, Rainmaker Retreat and Practice Made Perfect program.*

Stephen Fairley

**“Developing
Leaders
Who Deliver
Results for
the 21st Century”**

Presidents, CEOs, VPs, and managers all say Stephen's motivating presentations on leadership development help them focus their time, energy, and resources on creating specific strategic advantages resulting in improved performance and profits.

Small business owners use his highly interactive, content-packed strategic business development seminars to maximize the productivity of their people and develop strategic ways to grow their businesses.

Business leaders discover powerful solutions to serious business challenges using Stephen's customized keynotes and workshops on increasing employee motivation and productivity.
