

Dr. John P. Dentico

The Simulation Doctor

Don't be a Victim of the Future-*Change it!*

Anticipate Tomorrow's Difficult Decisions Today!

Dr. John P. Dentico works with organizations that want to preclude and mitigate future catastrophes. To achieve this, he creates and facilitates realistic, custom designed simulations where people experience strategies that prevent or avoid tragic events before they become reality. *You Can't Afford To Play Games With The Future!* Simulate the crisis facing you and your organization and build leadership capacity to develop and implement comprehensive solutions that work.

Think and Act Strategically--Streamline Your Approach

Gain Greater Levels of Efficiency and Effectiveness

Sample Simulations:

- Counter Terrorism
- Disaster Preparedness
- Organizational Change
- Leadership Development
- Insurance Risk Mitigation
- Mass Transit Safety and Security
- Mergers and Acquisitions
- Threat and Vulnerability Analysis
- School Safety
- New Product/Service Introduction

John P. Dentico, Ed. D. is President of LeadSimm a simulation and leadership development practice. Dr. Dentico has over 29 years of simulation experience and is a nationally recognized authority in the development and use of simulations to accelerate comprehensive learning and develop leadership capacity. His LeadSimm© Leadership development simulation program was specifically cited by the United States Department of Justice as one of America's Best Leadership development programs.
