

# Leadership & Innovation Expert

## Val Wright

Val Wright is a recognized leadership and innovation expert. Working with Xbox, Microsoft, Amazon and LinkedIn, she has spent the last 20 years partnering with executives to accelerate growth and gain market superiority across the technology, entertainment, retail and e-commerce industries.

She is known for telling leaders what they need to hear, not what they want to hear. Leaders seek her out when they need to accelerate their business results, build organizations, develop leaders and create world-class people strategies.

### *Typical client results:*

- Be remembered as the best leader your company has ever known.
- Provoke, inspire and provide immediate value to your audience.
- Dramatically accelerate the results of a leader, team or business.
